

LEARNING FOR ALL - BRIDGING THE GAP

STUDENTS

ACADEMIC LEARNING

SOCIAL & EMOTIONAL LEARNING

*“Every student
becoming a
graduate prepared
for opportunities
beyond graduation”*

Mental Health Literacy

What it **is** ...

5 in 5
people have
Mental Health

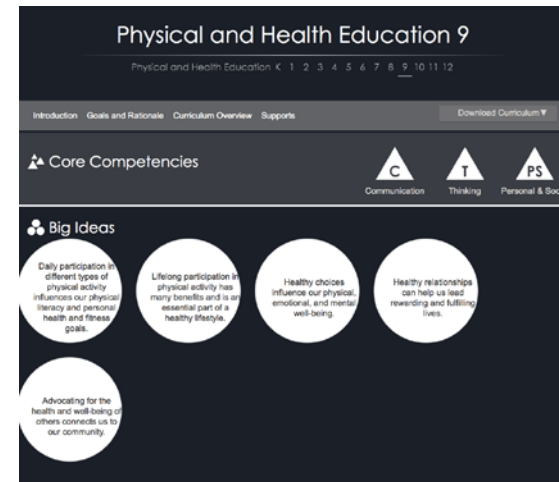

Mental Health Literacy

What it is ...

- Training/education
- Resources to share with staff that link to BC curriculum

Mental Health Literacy

What is **NOT**:

1. Program
2. Make school staff into therapists
3. Put more kids into therapy sessions

Mental Health Literacy

Goals for 2018 – 2019

- All support staff (EA & CYCW) complete the training session on MHL
- “Go-to staff” for MHL are established at each site (K to 12)
- All grade 9 students complete the MHL curriculum in highschool
- All elementary and middle schools develop a plan to use the Strong Kids resource in primary, intermediate and middle
- Provide regular parent information sessions
